

Campaign for the rights and visibility of seasonal agricultural workers

Their work is a cornerstone

Campaign for the rights and visibility of seasonal agricultural workers

They and their families have equal rights to
access public services: healthcare, social
services or education.

Campaign for the rights and visibility of seasonal agricultural workers

They create wealth, strengthen local
economy and contribute to social security.

Campaign for the rights and visibility of seasonal agricultural workers

They have the right to housing with
decent space and equipment.
